For the love of God, do not

manga sharing sites.

I will buy  
you a candy  
Let's play

Ah!  
I am not playing  
with you!

Hey, be clear!

Do you like me  
or not ?!

Are you just  
fooling around ?!

The best thing was  
seeing... = 00

May, Don't

Is he pissed?

Fine, fine,

There is not  
enough space.

Gaaa.

So... according to  
your explanation...

In the awkward  
situation when he  
offered to buy you  
a candy,

You misinterpreted it as  
a proposal and played  
hard-to-get and sort  
of rejected him right  
on spot!

Well... now  
that I think  
about it...  
yes.

And now you  
think it wasn't  
really a proposal.

With no  
candy in  
your hands.
